## TOOK HIS LIFE.

Last Saturday afternoon a negro named George Skinner committed suicide. He had been arrested by Officer Bell under a charge of shoplifting and taken to the city hall. While waiting for the execution of a search warrant, Skinner asked the Officer to step aside with him, which he did three times. The third time Skinner was heard to fire a pistol, and on opening the door of the closet the officers found Skinner had blown his brains out, dying instantly. His body was viewed by a large crowd of people and afterwards sent to his home.

After this his trunk arrived at the Mayor's office and was opened. In the trunk was a variety of clothing and other articles, the most of which were claimed by merchants of the city.
